VIGIL FOR THE EARTH

earthvigil.co.uk

WHERE? Belle Vue Terrace Island

WHEN? Midday – 1pm every Saturday

WHY? The Earth Vigil is made up of ordinary people from all walks of life who are united in their concern for our planet. We sit in silence, holding the Earth in mind, reminding those who walk past about the climate and ecological crisis. We have committed to sit at the location and time above for as long as we can - maybe until COP26 (a crucial worldwide climate conference to be held in Scotland) in November 2021. To learn more or to join the vigil, just have a chat to us or visit us online:
